

K-Love commercial free radio serves me personally by being an uplifting wholesome family friendly station, I never have to worry about what my kids might hear.

If K-Love were to be displaced by LPFM it would be a tragedy as K-Love is what we use as entertainment.

K-Love provides a much needed service to our community by giving us family friendly listening options. Please do not allow LPFM to take over the airwaves and displace such a great station as K-Love.

Thank You, Launa Taylor
